Engagement Growth

## CASE STUDY

# DEW DROPS

## Lead Generation Campaign for a New Firm

Launched and managed a lead generation campaign for Dew Drops, a newly established beauty care and wellness spa. By leveraging targeted audience strategies, engaging ad creatives and optimized budget allocation, the campaign generated high-quality leads, minimized cost per lead and delivered strong results.

### CAMPAIGN PERFORMANCE

Leads 188

Cost per lead INR 4.08/-

Amount spent in ads INR 766.76/-

Service price INR 799/-

Quality leads 25

Total sales 25\* INR 799 = INR 19,975/-

### CAMPAIGN HIGHLIGHTS

- ✓ Targeted audience segments to reach the right potential customers
- ✓ Created multiple ad variations with compelling creatives
- ✓ Optimized budget for maximum lead generation
- ✓ Generated high-quality leads at a low cost per lead
- ✓ Provided actionable insights for future campaigns

# UNIVERSAL TRADERS

Digital Marketing & Social Media Management

## CHALLENGE

- Limited online visibility
- Low customer engagement
- Inconsistent brand presence
- Low-quality leads

## WHAT I DID

- Developed a comprehensive social media strategy
- Created engaging, brand-focused content
- Ran targeted ad campaigns to reach the right audience
- Optimized performance through continuous monitoring and analysis

## RESULTS (3 MONTHS)
